## **RCIA - Rite of Christian Initiation of Adults Period of the Catechumenate**

The catechumenate is an extended period during which the catechumens/candidates are given suitable pastoral formation and guidance, aimed at training them in the Christian life and at the same time inviting them into a deeper and growing relationship with Jesus Christ and His Church.

Many of the Catechumenate sessions consist of modules from a web-based resource called *Symbolon, The Catholic Faith Explained*. Those are the ones in the schedule that begin with either “KF Unit XX ...” or “LF Unit XX.” There are 20 episodes spread out through the calendar. The majority of modules have two videos. Participants are asked to watch the first episode (< 15 minutes in length) on their own and before each class as a way to introduce the topic of that module. Participants will watch the second video together during the session. For those units with only one video, it will be viewed in the session. There will be a discussion of the topic following the video for that session.

For those who can't make it on some or all Thursdays, it is imperative that their sponsors step up and serve as a sounding-board for their candidate/catechumen. This should happen for all catechumens/candidates, even those that attend Thursday evenings on a consistent basis. But in cases where the candidate/catechumen can't make some or all Thursday evenings, it's even more important that the sponsor step in and be sure the candidate/catechumen has the opportunity to thoroughly discuss the topic of the evening including using the Participant's Guide as a way to facilitate discussion.
